Subject: **LISTING OF UNREGISTERED DOGS**

Please be informed of the Standing Orders of the Federation Cynologique Internationale (FCI) under Article 8, paragraph 4 as quoted below:

"Article 8 - Stud Books

4. In the case of dogs coming from countries which have no FCI member or contract partner or with which no agreement exists for the recognition of pedigrees, the members and contract partners as well as the breed clubs commissioned by them can, notwithstanding the above provision 2, register a dog with a non-recognised pedigree in an appendix to the studbook once this dog has been examined by a judge approved for the breed in question; its breeding, from the fourth generation, can be entered in the studbook. The same applies to dogs without any pedigree."

In line with the said Standing Order of the Federation Cynologique Internationale (FCI), the Philippine Canine Club, Inc. (PCCI) is now accepting **LISTING OF UNREGISTERED DOGS**. As mentioned above, dog has to be examined by a judge approved for the breed in question; its breeding, from the fourth generation, can be entered in the studbook. Once approved, the dog must have a microchip identification.

Listed dogs that are already in the second generation should be mated only to a PCCI registered dog.
